ORDER

The Administrative Law Judge (“ALJ”) concluded that Randy J.M. (“Randy”) was not disabled because he could perform unskilled work available in the economy. Randy filed a Motion to Reverse (ECF No. 10), the Commissioner filed a Motion to Affirm (ECF No. 13), and Randy filed a Reply. ECF No. 14. The Magistrate Judge filed a Report and Recommendation (“R&R”) (ECF No. 15) recommending that the Court affirm the Commissioner’s finding that Randy was not disabled. Randy objected to the R&R (ECF No. 17) and the Commissioner replied. ECF No. 19. This Court has conducted a de novo review of the motions and the entire record, as well as Randy’s objection to the R&R and the Commissioner responds to the objection.

For the reasons stated in the R&R, the Court GRANTS the Motion to Affirm (ECF No. 13) and DENIES the Motion to Reverse. ECF No. 10. As to Randy’s objections to the R&R, the Court finds that the ALJ’s Residual Function Capacity determination and evaluation of Randy’s symptoms is supported by the substantial weight of the evidence.

IT IS SO ORDERED.

A handwritten signature in dark ink, appearing to read "John J. McConnell, Jr.", written over a horizontal line.

John J. McConnell, Jr.  
United States District Judge
